

CAB201F is a recessed light made of extruded aluminum housing, capped with a flexible flush frosted lens.

This linear LED luminaire is designed to produce a uniform distribution of diffused light in wooden platforms. CAB201F has a narrow base and is suitable for closet, under cabinet, stair nosing and wall unit linear light designs. This channel comes in variable lengths up to 8 feet. \*

Cab series are complemented with dimmable, energy-efficient, dot-free LED, producing high color rendering index lighting. The bright white LED light source with CCT options from 2200K to 6000K provides the environment with desired lighting that fits the design concept.

The lighting system can be conveniently controlled with wall remote, hand remote, and smart app options. CAB201F is a perfect fit for use in residential and commercial to produce ambient or decorative illumination.

EnoLight lighting solutions are designed and manufactured in Canada to the highest industry standards with 5 years warranty.
